Yean Sovanvathana

Software Developer

Achievement

TOP CSCUP 2022
Jun 16, 2022
I finished in the top 20 of a challenging programming-solving competition with four rounds, where I honed my problemsolving, critical thinking, and programming skills.
This experience also taught me how to work well under pressure and the importance of selflearning.

Skills

- Technical Skill
  Proficient : React js, Next js, Node js, Tailwind, Python, Javascript
  Familiar : Vue js, Angular js, Nest js, Flutter, Typescript, Java, Unity
- Design Skill
  Photoshop, Illustrator, Figma
- Able to work collarborative
- Communication skill

Language

Language	Level
Khmer	●●●●●
English	●●●●○
